survivor champion**

Challenges will earn teams points throughout camp. Points will be awarded based on the teams placement in the team challenges. Challenges will be 1. Cabin Judging (first day judgement and ongoing cleanliness).
2. Afternoon survivor challenges.
3. Evening survivor challenges.

Tribal Council

Each evening teams will attend tribal council. Each team will send 1 representative to tribal council to nominate 1 member of ANOTHER team off the Island. The member receiving the most votes will be ineligible to compete in additional team challenges. Teams receiving the immunity torch will not be eligible for having a member nominated.

IMMUNITY TORCH

The immunity torch is a new addition to Dream Camps. The Immunity torch will be given out each evening to 1 team. This will remove the team from potentially having one of their teammates eliminated from team participating in future challenges.

The immunity torch will be awarded to teams voted on by the staff.

Factors they will consider will be based on positivity, team spirit, work ethic, and more.

Teams receiving the Immunity torch should display the torch outside their cabin and add a NON FLAMMABLE decoration to the torch.

CAMPFIRE

CAMPFIRE INFORMATION

Campfire is one of the greatest team building events we do at Dream Camps!

Teams that have campfire will break after the evening announcements and have a chance to change. Athletes are encouraged to wear comfortable clothes, bring a blanket and wear bug spray. We will be out around the campfire for a few hours enjoying the time!

Campfire Convo

Campfire can be fun, funny, and emotional experience. Your buddy will discuss with you ahead of time the group sharing questions so you can be prepared to share. The more open you are the more the tone is set for the team to open up and trust one another.

Staff will make an announcement about mandatory reporting prior to any questions
